Robust results supported by activity and stable recurring income

NET INCOME (MXN MN)

Net Interest Income

NII growth explained by the continuous expansion of the loan portfolio in profitable segments and good management of our funding cost.

Commissions And Fees

A decrease QoQ due to business campaigns and strategic alliances for CC products. A growth YoY primarily attributable to elevated transactional activity.

Total Expenses

Expenses reflecting business advancement, continuous strengthening of digital capabilities, and the implementation of a customer-centric strategy.

Demonstrating the resilience of NII through the effective ALCO strategies
